This rosé has been made by skin maceration (the juice macerates on the skin before pressing). It increases the aromatic potential and of the grape and its structure

Marselan? What a delightful surprise...a rosé structured around the expression of the fruit! Wait no longer to discover this medley of red fruit (strawberry, pomegranate, raspberry), underlaid by tenderness and elegance. With just the right amount of generosity, ripe but lively, the palate offers a magical combination of crispness and an impeccably smooth and delicious feel. A moment of grace to share!

We go to the stove with a roasted sea bass with vanilla accent it's time to relax and enjoy !
